I. PROGRAM OVERVIEW

The Department of Administrative Services (DOAS) State Purchasing awards the contract for statewide Purchasing Card services. The current vendor is Bank of America and the contract number is SWC 69695. The contract document can be accessed at <http://www.doas.state.ga.us>, and is an excellent source for information that may not be addressed in this manual. Once at the website: Click on “Procurement,” “Agency Guidelines and Procedures,” “P-Card Manual.” The University System Office participates in offering Purchasing Cards (P-Card) as a flexible purchasing tool for quickly and efficiently purchasing and paying for **small dollar items**. The P-Card reduces the paperwork and processing time for the cardholder, as well as Accounts Payable and Procurement. The consolidated payment from Bank of America to vendors provides additional cost and time savings.

The purpose of this document is to provide instructions for the issuance and use of the P-Card along with instructions for documentation, reconciliation, and review.

II. ETHICS

How do you define ethics? Ethics is the study of right and wrong, the principles governing the behavior of a Procurement Professional.

PERCEPTION IS REALITY!

As Procurement Professionals we must act with integrity, be accountable for our actions, and show respectability. Keep in mind that we are ultimately spending the taxpayer’s money.

III. USE OF THE PURCHASING CARD FOR PERSONAL PURCHASES PROHIBITED

Under no circumstances is a cardholder permitted to use the P-Card for personal purchases. Using the P-Card for personal purchases may result in disciplinary action, up to and including termination from State employment and criminal prosecution. The Official Code of Georgia, Annotated (O.C.G.A.), §50-5-80 states that any cardholder who knowingly uses the P-Card for personal purchases under \$500 is guilty of a misdemeanor. A cardholder who knowingly uses the P-Card for personal purchases of \$500 or more is guilty of a felony punishable by one to 20 years in prison. Supervisors and other approving officials who knowingly, or through willful neglect, approve personal or fraudulent purchases are subject to the same disciplinary actions as the cardholders.

Criminal background checks are to be done on all cardholders as explained in Section VII, Legal Issues, paragraph B, of this policy.

IV. GENERAL INFORMATION

A. ACKNOWLEDGEMENT AND AGREEMENT REGARDING THE PROCUREMENT CARD MANUAL AND DISCIPLINARY ACTION REGARDING MISUSE OF CARD

This is to acknowledge receipt of Savannah State University's revised Procurement Card Manual. I understand that as a Procurement Cardholder, I act as a Purchasing Agent within the University System of Georgia; therefore, I must adhere to all policy and procedures governing the State of Georgia Purchasing. Any violation to State and/or Board of Regents laws/policies will result in the following:

If State Sales Tax is billed to my account, I must immediately contact the vendor for a full refund and obtain documentation for such. All Sales Tax not refunded by the vendor, I acknowledge, I will personally reimburse by payroll deduction or check made payable to Savannah State University for all Sales Tax not refunded by vendors within 30 days of the Statement Date.

Under no circumstances am I permitted to use the P-Card for personal purchases. Using the P-Card for personal purchases may result in disciplinary action, up to and including termination from State employment and criminal prosecution. The Official Code of Georgia, Annotated (O.C.G.A.), §50-5-80 states that any cardholder who knowingly uses the P-Card for personal purchases under \$500 is guilty of a misdemeanor. A cardholder who knowingly uses the P-Card for personal purchases of \$500 or more is guilty of a felony punishable by one to 20 years in prison.

If I submit the statement reconciliation to the Procurement Office after the reporting due date I will receive a written warning. After amassing three (3) written warnings my p-card will be revoked.

Statements and associated receipts are due in Procurement no later than 5pm on the 15th day of the subsequent month in which the statement period ends unless it falls on the weekend, in which case the next business day will be the due date.

I understand and agree that to the extent I do not use the laws, policies and procedures outlined in the Procurement Card Manual and stated briefly above; Savannah State University shall have the right to hold me personally responsible and liable for my negligence in accordance with said policy.

J. Disputes

Upon discovery of an incorrect amount charged for goods or materials received or a questionable purchase transaction appearing on a statement, the cardholder must immediately seek resolution with the vendor. Also, notify the Office of Procurement of any disputes. If no resolution can be made, a Procurement Dispute Form, (*Attachment E*), should be completed by the cardholder and faxed to Bank of America at 1-888-678-6046. Also, forward a copy of the completed form to the Office of Procurement. (FAX number 353-5199)

If the disputed charge involves sales tax charged erroneously by the vendor, the amount of the tax cannot be disputed through Bank of America. Cardholders should make every effort to obtain a credit from the vendor for the amount of the tax.

As stated in the Cardholder Responsibilities on page 3 and 4, it is the Cardholder's responsibility to ensure that appropriate credits for reported disputed items or billing errors appear on subsequent statements.

K. Returns, Damaged Goods, Credit

If goods purchased with the P-Card need to be returned the cardholder should work directly with the supplier.

Helpful Tips:

Always retain boxes, containers, packing materials, packing slips, etc. until it is certain that the goods will not be returned.

Some items such as computer peripherals cannot be returned without the original packing materials

Read all enclosed instructions carefully. Phone numbers and special instructions are often included on packing slips or delivery receipts.

Many suppliers require a "Return Authorization Number" before they will accept a return. If this information is not provided with the return, the package may be refused and no credit will be given.

Insure that the charge for the returned item appears on a subsequent statement.

If difficulties continue with the return, please see instructions for Disputes on page 8.

VII. PURCHASING CARD DOCUMENTATION AND REPORTING

A. P-Card Statements

- Monthly statements from Bank of America will be sent to all cardholders within ten business days after the end of each monthly billing cycle.

B. Expense Submission to the Office of Procurement

- Upon receipt of the statement from Bank of America, verify all charges and credits with supporting documentation and the Purchasing Card Transaction Log. (*Attachment C* - recommended)
- The charges should appear on the Procurement Card Summary form along with the appropriate department/project and account to be charged. (*Attachment A*)

Procurement Card Summary forms must have complete information.

Namely: Account

The P-Card charges will be posted to the accounts within ten business days after the submission deadline to the Office of Procurement.

VIII. LEGAL ISSUES

A. Failure to Comply with Laws, Policies and Procedures

Account holders, program users, cardholders or supervisors/approving officials who knowingly, or through willful neglect, fail to comply with the following may be subject to suspension or termination of account privileges or other disciplinary action, up to and including termination of employment and criminal prosecution to the fullest extent of the law.

1. Official Code of Georgia, Annotated (O.C.G.A.), sections related to governmental purchasing
2. Applicable requirements of the Georgia Procurement Manual
3. State Purchasing Card Policy
4. Internal policies and procedures governing procurement and the Purchasing Card Program.

The State Cards Program Manager and State Purchasing Division reserve the right to withdraw any authority or delegated approval due to non-compliance with applicable laws, rules, regulations, policies, and procedures, or the terms of any conditional approval.

B. Cardholder Background Checks

O.C.G.A. §50-5-83(b)(12) requires criminal background checks on all employees hired for positions that are eligible for P-Cards. DOAS requires that these requirements be met for all employees using P-Card related accounts and products such as Ghost Cards, AP Cards and/or ePayables.

1. Existing Cardholders as of July 1, 2008:
 - i. Agencies and Institutions must establish a schedule of criminal background checks for existing cardholders as of July 1, 2008, to ensure that backgrounds are checked prior to the next renewal date of the individual P-Cards.
 - ii. If any criminal background check against existing cardholders reveals any misdemeanors or felonies related to financial wrongdoing, theft, or other act of dishonesty, the cardholder's privileges are to be terminated immediately and notification sent to the State Cards Program Manager.
2. New Cardholders after July 1, 2008:
 - i. For new cardholders after July 1, 2008, prior to receiving a P-Card, each Agency or Institution must perform criminal background checks on the prospective cardholders.
 - ii. If any background check of new cardholders after July 1, 2008, reveals any misdemeanors or felonies related to financial wrongdoing, theft, or other act of dishonesty, the employee is not eligible to receive a P-Card.

C. Cardholder Credit Checks

In addition to background checks for new and current cardholders, O.C.G.A. §50-5-83(b)(12) also requires credit checks on all employees issued a purchasing card after July 1, 2008. DOAS requires that these requirements be met for all employees using P-Card related accounts and products such as Ghost Cards, AP Cards and/or ePayables.

D. Competitive Solicitation

1. O.C.G.A. §50-5-69 requires competitive bidding for all open-market purchases anticipated to be \$5,000 or more. Use of the P-Card program as a method of payment does not relieve the program participant or the Entity of these responsibilities.
 - i. Because of the legal bid limits, all account holders must have a Single Transaction Limit (STL) of less than \$5,000, except as noted below in section C.2.
 - ii. Account holders are prohibited from splitting a transaction between two or more transactions on a single account or two or more transactions on multiple accounts on the same day or on separate days in order to circumvent the bid process and/or any Single Transaction Limit, regardless of the level.
2. Where job responsibilities require account holders to make single purchases of \$5,000 or more:
 - i. The local Card Program Administrator can approve Single Transaction Limits over \$5,000 with the approval of the account holder's supervisor and the APO / CUPO when the purchases will be from a statewide contract, an Existing State Entity contract, or a mandatory source. However, this approval does not apply to open-market purchases.
3. Account holders who need to make open-market purchases of \$5,000 or more must use the PeopleSoft e-Procurement system and the Procurement Office will initiate the bid process.

E. Payment of State Sales and Use Tax

1. O.C.G.A. §48-8-3(1) exempts purchases made by Agencies from State Sales and Use Tax when payment is made with appropriated funds.
2. O.C.G.A. §48-8-3(8) exempts purchases made by the Board of Regents, Colleges, and Universities from State Sales and Use Tax.
3. Cardholders and account users must present the State Sales and Use Tax Exemption, Form to merchants upon request. This form is available with this document (*Attachment F*)
4. Account holders are responsible for ensuring that merchants do not charge tax.

If taxes are charged, the account holder must contact the merchant to obtain a credit to the account.

- ii. Credits cannot be obtained by any other method, including, but not limited to, cash, gift card, gift certificate, or store credit.
- iii. Documentation of attempts to obtain credit for any State Sales and Use Tax charged in error must be maintained with the documentation for the transaction where the tax was charged.

F. Records Retention Requirements

The Office of the Secretary of State maintains the official Records Retention Schedule for the State of Georgia. This information is available on their web site at sos.georgia.gov by searching for Records Retention Schedule.

1. Documents related to transactions are accounting records and must be maintained according to the requirements of Accounts Payable Files.
2. Documents related to the issuance of accounts to employees are accounting records and must be maintained according to the requirements of Credit Card Administration Records.

IX. CLARIFICATION ON CREDIT CARD FEES AND CONVENIENCE FEES

Many vendors charge a “credit card processing fee” or “convenience fee” for accepting credit cards including the State Purchasing Card or P-Card. These types of fees are strictly regulated by Visa and MasterCard (also called the Associations).

“Convenience fees” for certain transactions can be paid if they are charged in compliance with Visa rules. (The State of Georgia P-Card and related accounts are Bank of America Visa accounts, so Visa regulations apply.) Other fees, such as “credit card fees”, “processing fees” or “surcharges” for example, are not allowed by Visa regulations and are therefore not permitted on the P-Card or related accounts.

According to Visa’s Card Acceptance and Chargeback Management Guidelines for Merchants (Merchants is synonymous with Vendors) available on Visa’s website, credit card surcharges are not allowed. Merchants “may not impose any surcharge on a Visa transaction.” Convenience fees, however, are allowed under certain circumstances.

According to the website:

For merchants who offer an alternate payment channel (i.e., mail, telephone, or e-commerce) for customers to pay for goods or services, a convenience fee may be added to the transaction amount. If the merchant chooses to assess a convenience fee to its customers, the merchant must adhere to the following rules:

- The fee is being charged for a bona fide convenience of using an alternative payment channel outside the merchant’s normal business practice.
- The fee:
 - must be disclosed to the customer as a charge for the alternative payment channel convenience
 - is applied only to non face-to-face transactions

- must be a flat or fixed amount, regardless of the amount of the payment due
- is applied to all forms of payment products accepted in the alternative payment channel
- is included as part of the total transaction amount
- cannot be added to a recurring transaction
- is assessed by the merchant that provides the goods or services to the cardholder and not a third party
- The customer must be given the opportunity to cancel prior to the completion of the transaction

Visa is very clear about what a convenience fee is and how and when they can be charged. As a result, many vendors that charge fees do so incorrectly and are therefore out of compliance with Visa regulations.

Examples of common violations of Visa's convenience fee policy include, but are not limited to, the following:

- Charging a tiered or percentage based fee. Only a flat fee regardless of the transaction amount is allowed.
- Charging a fee for transaction below or above a certain dollar amount. Convenience fees must be charged on all transaction regardless of amount.
- Charging the fee in person, for face-to-face or point of sale transactions. The fees can only be applied to transactions via the mail, telephone or internet.
- Charging only for Visa or credit card transactions. Convenience fees must be applied to all payment methods accepted via that channel.
- Calling the fee a "processing fee", "credit card fee", "surcharge" or anything other than a "convenience fee". The fee is designed to offset the cost of the convenience, not the cost of accepting credit cards.
- Charging higher prices for credit card purchases versus checks or cash. **Note:** Vendors may offer a "cash discount" to customers paying with cash, in person.
- Charging a convenience fee via the internet when that is the vendor's only "normal business practice". If the vendor only sells on the internet, there is no convenience versus coming in to a retail location, so no convenience fee can be charged.

There are many ways a vendor's actions can fall outside Visa's guidelines. As such, only vendors in compliance with the guidelines shall be allowed to receive convenience fees via the P-Card and/or related accounts.

One example of an allowable convenience fee is a utility that charges a convenience fee for paying a bill via the phone or internet versus having to come to an office and drop off a payment. As long as the convenience fee is a flat fee and is charged to all transactions accepted via the phone or internet (such as all card types, electronic checks, etc.), it is acceptable on a P-Card transactions.

Convenience fees charged in accordance with the Visa guidelines quoted above are permitted on the P-Card or related accounts. All other charges, surcharges or fees are prohibited and should not be paid with a P-Card or related accounts. For clarifications, please consult your entity's P-

Card Administrator or contact the State Cards Program Manager. Violations of the Visa guidelines should be reported to the State Cards Program Manager as merchants can be reported to Visa through Bank of America.

X. YEAR END ISSUES AND AUDITS

A. Year End Procedures

Since the Fiscal Year End and the statement dates do not correspond, the Office of Procurement establishes a cut off date that allows better assessment of expenditures prior to closeout. This date is usually around the end of May and it does not apply to Grant funded P-Card holders. At that time, the Office of Procurement will access all purchases electronically from Bank of America up to the established cutoff date and forward via FAX or Email to the associated cardholder. Within two business days the proper account and department distribution for all purchases is to be returned to the Office of Procurement. The expense distributions are to be recorded on the Procurement Card Summary form. (*Attachment A*)

Purchases after the established cut off date will appear in the subsequent fiscal and budget year.

Supporting documentation is still required for submission to the Office of Procurement no later than 5:00 PM on the 15th of the subsequent month. Please be sure to separate the applicable documentation for each fiscal year.

B. Auditing P-Card Activity

All supporting documentation for all cardholders is subject to audit by the Georgia Department of Audits, the State Purchasing Division P-Card Department, the University System Office Internal Audit Staff, the Savannah State University Internal Auditor, and the Office of Procurement personnel involved in the P-Card process.

A supplier is required to have only one certificate of exemption form on file from each purchaser buying tax exempt. The supplier must exercise ordinary care to determine that the tangible personal property obtained under this certificate is for the purpose indicated. Suppliers failing to exercise such care will be held liable for the sales tax due on such purchases. For example, a supplier cannot accept a Certificate of Registration number bearing a "214" prefix since these are issued to a Contractor which has been deemed to be the consumer and is required to pay the tax at the time of purchase.
